Standard Features:

•Drawers suspended with heavy duty full extension guides allowing for effortless opening and closing.

•All wood drawers assembled with dovetail joints for strength.
•Drawer interiors are smoothly sanded and lacquer-sealed.

•Tenons are a key element of construction. A board's end is cut off for insertion into a mortise. Tenons are then secured with wood pins.

•Permanent joint construction. We use a variety of joint construction methods that are time tested to ensure life long durability and strength.

•Case backs (1/4" thick) with recessed back panels.
