* See price list for exclusions & current selections

Standard Features:

• Drawers suspended with heavy duty full extension guides allowing for effortless opening and closing.

• All wood drawers assembled with dovetail joints for strength.
• Drawer interiors are smoothly sanded and lacquer-sealed.

• Tenons are a key element of construction. A board's end is cut off for insertion into a mortise. Tenons are then secured with wood pins.

• Permanent joint construction. We use a variety of joint construction methods that are time tested to ensure life long durability and strength.

• Case backs (1/4" thick) with recessed back panels.
